

Vanguard Canada Expands Dividend ETF Lineup with the Launch of Two New ETFs

- **New Vanguard Developed ex-North America Dividend Appreciation Index ETF (TSX: VIGG) provides access to companies with a history of dividend growth in developed markets outside North America**
- **New Vanguard U.S. High Dividend Yield Index ETF (CAD-Hedged) (TSX:VUDH) is designed to provide stable income while minimizing currency volatility**
- **Expanded lineup enhances Vanguard's market-leading suite of dividend ETFs**

TORONTO (June 1, 2026) — Vanguard Investments Canada Inc. today announced the expansion of its dividend ETF lineup, offering investors and advisors two new income-focused ETFs designed for high-dividend yield and dividend growth strategies. Vanguard Developed ex-North America Dividend Appreciation Index ETF (TSX: VIGG) and Vanguard U.S. High Dividend Yield Index ETF (CAD-Hedged) (TSX: VUDH) will begin trading this morning on the Toronto Stock Exchange (TSX).

“We have a long track record in providing Canadians with robust dividend ETF solutions backed by our experienced global investment teams,” said Sal D’Angelo, Head of Product and Marketing, Vanguard Canada. “By offering these two new ETFs, focused on high-dividend yield and dividend growth respectively, investors have access to a full range of high-quality and low-cost dividend ETF strategies.”

Vanguard Developed ex-North America Dividend Appreciation ETF (TSX: VIGG)

This ETF tracks a market cap-weighted index that is focused on companies located in developed markets excluding Canada and the U.S., with a history of increasing dividends over time with a management fee of 0.28%.

Vanguard U.S. High Dividend Yield Index ETF (CAD-Hedged) (TSX: VUDH)

This ETF tracks a market cap-weighted index that is focused on common stocks of U.S. companies that are characterized by higher-than-average dividend yields, hedged to Canadian dollars, with a management fee of 0.28%.

“These ETFs can serve different portfolio objectives whether its higher current income, longer-term dividend growth or reduced currency volatility. Our goal is to provide financial advisors and investors with

a full breadth of tools to build resilient and low-cost portfolios that can help their clients achieve long-term investment success,” D’Angelo added.

This complements the recent launch of the [Vanguard U.S. High Dividend Yield Index ETF](#) earlier this year (TSX: VUDV) providing a full suite of dividend ETF options across its lineup totaling 41 Vanguard ETFs in Canada.

Vanguard ETFs:

ETF	TSX Symbol	Management Fee ¹
Vanguard Developed ex-North America Dividend Appreciation ETF	VIGG	0.28%
Vanguard U.S. High Dividend Yield Index ETF (CAD-Hedged)	VUDH	0.28%

¹The management fee is equal to the fee paid by the Vanguard ETF to Vanguard Investments Canada Inc. and does not include applicable taxes or other fees and expenses of the Vanguard ETF. For any Vanguard ETF which invests in underlying Vanguard fund(s), there shall be no duplication of management fees chargeable in connection with the Vanguard ETF and its investment in the Vanguard fund(s).

About Vanguard
